Read pages 113-136 and write down the actions that major characters take. For example, at the beginning of page 113, Montag stared at his home after the firetruck stopped in front of his house. Therefore, in the first column, you would write Montag (the character) and in the second column you would write, "stared at his own house in disbelief" (action/verb phrase). Complete the chart with all other major actions from pages 113-136. Once you finish the first two columns, write a 4-sentence summary in the third column.

Characters (subjects)	Actions (Verb phrase)	Summary
Ex: "Montag"	"stared at his own house in disbelief."
